Mrs. Christina Dick, one of the eldest Residents of Seneca, passed away peacefully in her sleep on the night of Friday January 18th, 1924, lacking but two days of reaching her ninetieth birthday. She had not been ill. Her long happy life course was simply finished. She had enjoyed remarkably good health all her life, was able to do quite a little of her house work and retained her mental faculties to the end. She was laid to rest on her birth day Sunday, a day that had been set apart by her children foe the annual home coming.

Christina Lierz was born on January 20, 1834 in Sechtem, Rhenish Province, Germany. She came to the United States in 1854 locating in Milwaukee, Wisconsin. Sixty-eight years ago she was married in Milwaukee to John Dick. They came to this county in 1859 and were of the first settlers on the Wild cat, near the present site of St. Benedict. To the union eight children were born. One died in infancy. There survive Mrs. Elizabeth Gockel and Mrs. Anna Roggen-Kamp of St. Benedict; John Dick of Baileyville, Henry of Axtell, Joseph of Lawrence, Kansas; Peter and William of Seneca. There are twenty-eight grand children and thirty-three great grandchildren.

The husband and father died twenty-one years ago. Following his death, Mrs. Dick made her home with her son, Peter. They lived on the old homestead until five years ago when they moved to Seneca.

Mrs. Dick was a devout member of Sts. Peter and Paul's church n this city. The funeral procession was met at St. Benedict Sunday y St. Ann's society of which she had been a member for over sixty ears. Rev. Father George read the burial service. Six grandsons were all bearers. Requiem masses were read at St. Mary's church in St. enedict and Sts. Peter and Paul's in this city on Monday morning.

Tragedy at A Farm Home

Alvin Dick and Wife Both Die

A tragedy Friday has claimed the lives of a young farm couple, Mr. and Mrs. Alvin Dick, who lived a mile north of Baileyville. Mr. Dick's death was immediate; his wife died Saturday evening in the Seneca hospital.

Services for both will be held at 9:30 Tuesday morning of this week at Sacred Heart Church, Baileyville.

The situation calls for deepest sympathy of the community to the families concerned, and understanding that Mr. Dick must not have acted with normal responsibility of mind.

His body was found late Friday morning on the Baileyville-Pawnee road, which is a short distance west of the farm home, by A. H. and Lawrence Dalinghaus. They went to Baileyville to report the death, and county officers were called. A shotgun and yardstick were with the body, the yardstick evidently used to press the trigger.

Mr. and Mrs. A. W. Hammes and Father H. H. Grosdidier went to the home to tell Mrs. Dick. It was then it was learned she had also been shot. She was lying on the kitchen floor, with a wound in her side from the shotgun. Size of the wound and lack of powder burns indicated it had been fired from several feet. A plasma transfusion was given at the home and she was brought to the Seneca hospital, where a number of blood transfusions were given, but her injuries were such that recovery could scarcely be hoped. She passed away at 6:40 Saturday evening.

Mrs. Dick was conscious for some time before her death. She had hidden the gun, fearing Mr. Dick might commit some rash act. Officers found circumstances of the deaths clear, not necessitating the call of a coroner's jury.

Mr. Dick was 40, his wife 40. Both are members of prominent families. Mrs. Dick was before marriage, Mary Holthaus, daughter of Mr. and Mrs. Frank H. Holthaus, west of Seneca.

The couple leaves three children, Mae Jean, Carlton and Joan, the oldest about 16. The paper hopes to have the regular obituary information in the Thursday issue.

Dear Mrs Kohake,

Much to my delight, six letters arrived on the same day in response to my inquiry about Caroline Krogmann Bergman!

I am a great grand daughter of Caroline's sister, Mary Anna Krogmann who married John Lappe. I grew up in Iowa near Waterloo. In researching the Lappe family of Dyersville, I came across much more information on the Krogmann side than the Lappe side.

Now thanks to your help, I can complete that portion of my family history about Gerhard Henrich Krogmann and his wife Mary Agnes Fröhle who were the parents of Anna and Caroline.

I am enclosing copies of what I have written up to this point — you might be interested in knowing about her family and some distant relatives in Iowa.

Someone sent a copy of the page from the Bergman booklet about Caroline and her children but I would also enjoy seeing a copy of her family picture to add to my booklet, (or of her and her husband, if they had a picture taken on their golden wedding anniversary).

Thanks again for writing — I appreciate it so much!

Sincerely,

Carolyn Martin

Franz Henrich: b. 1821, married Mary Catherine Carolina Bockmann and had three children: Franz Joseph (1854), Johann Henrich (1856) and Ferdinand (1859). He died in 1859 at the age of 38.

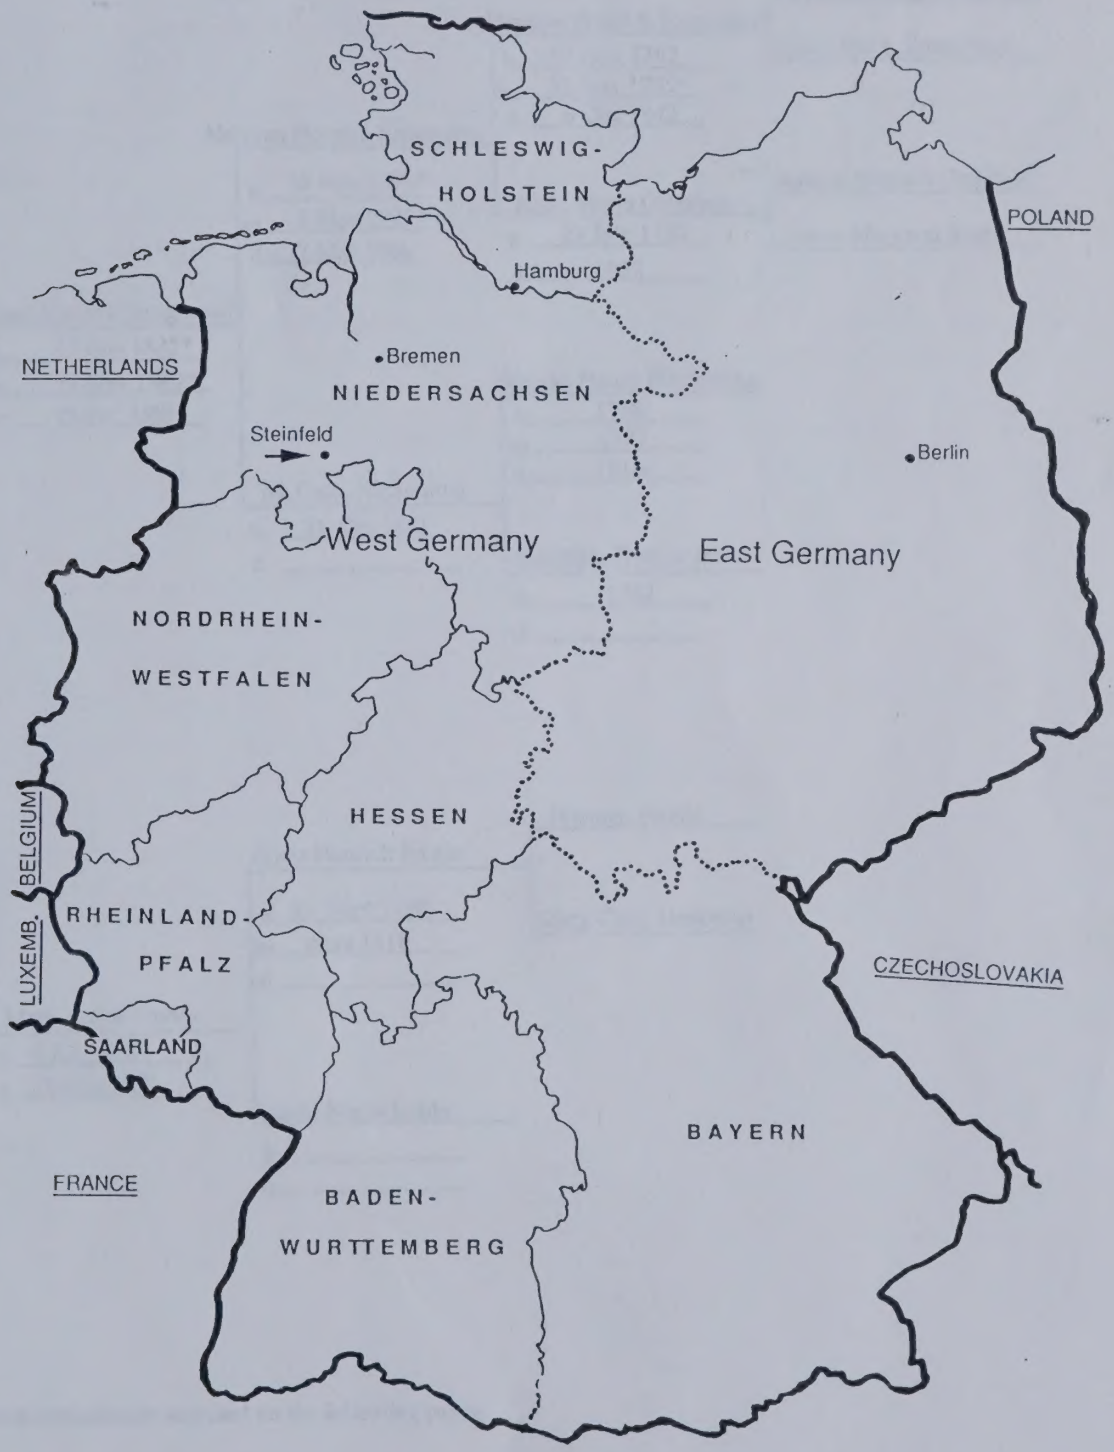
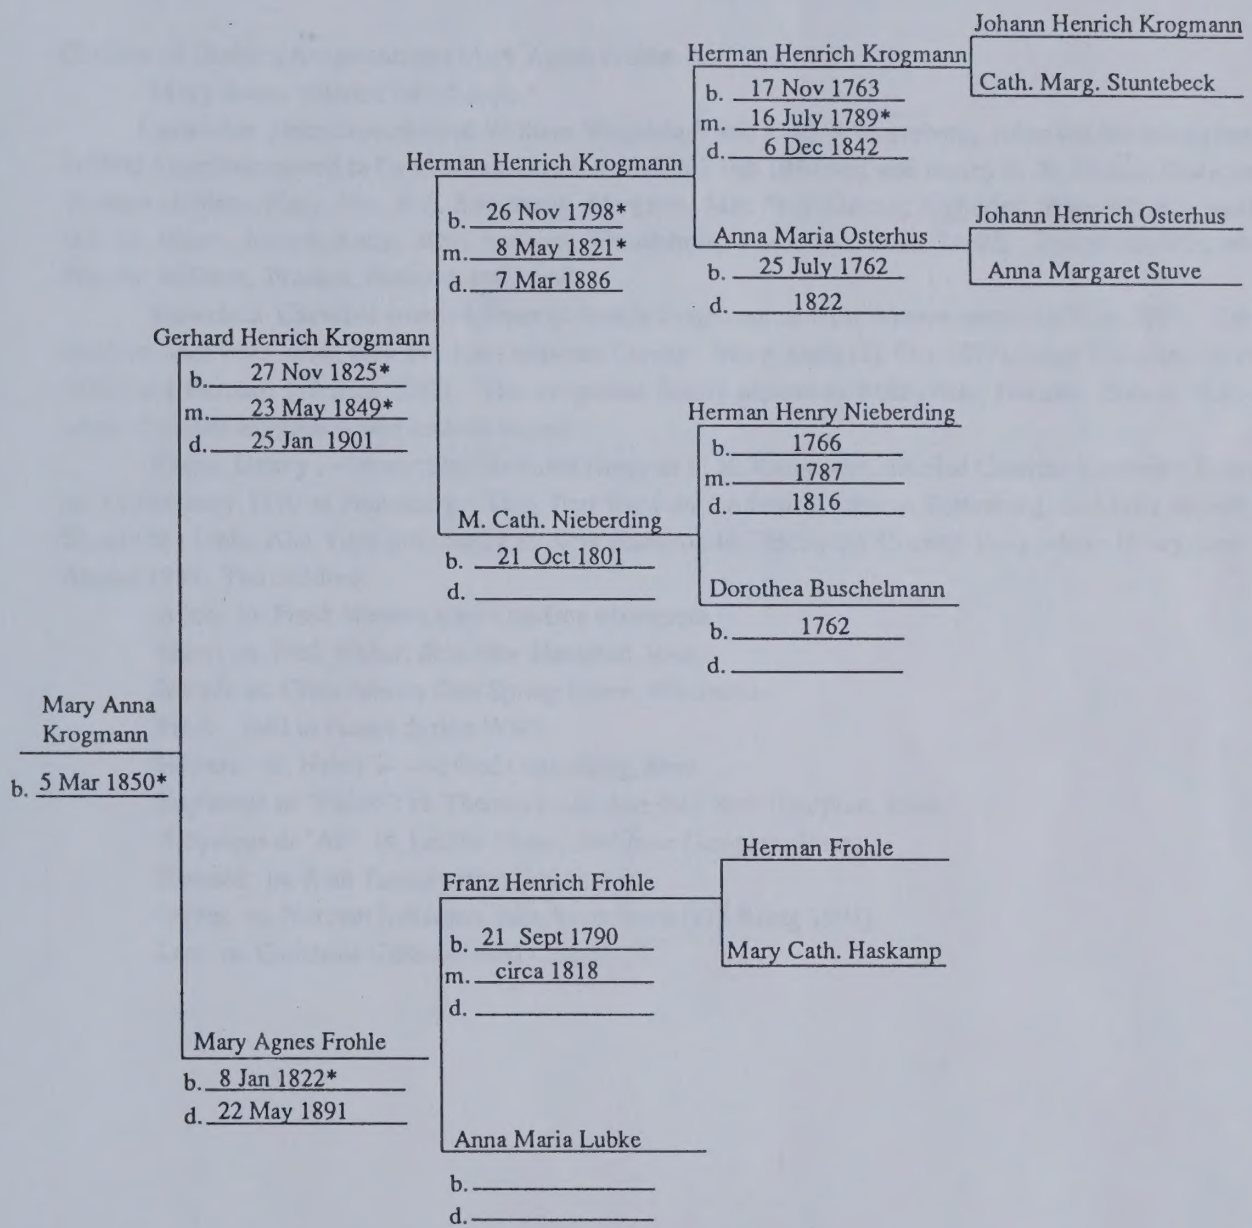
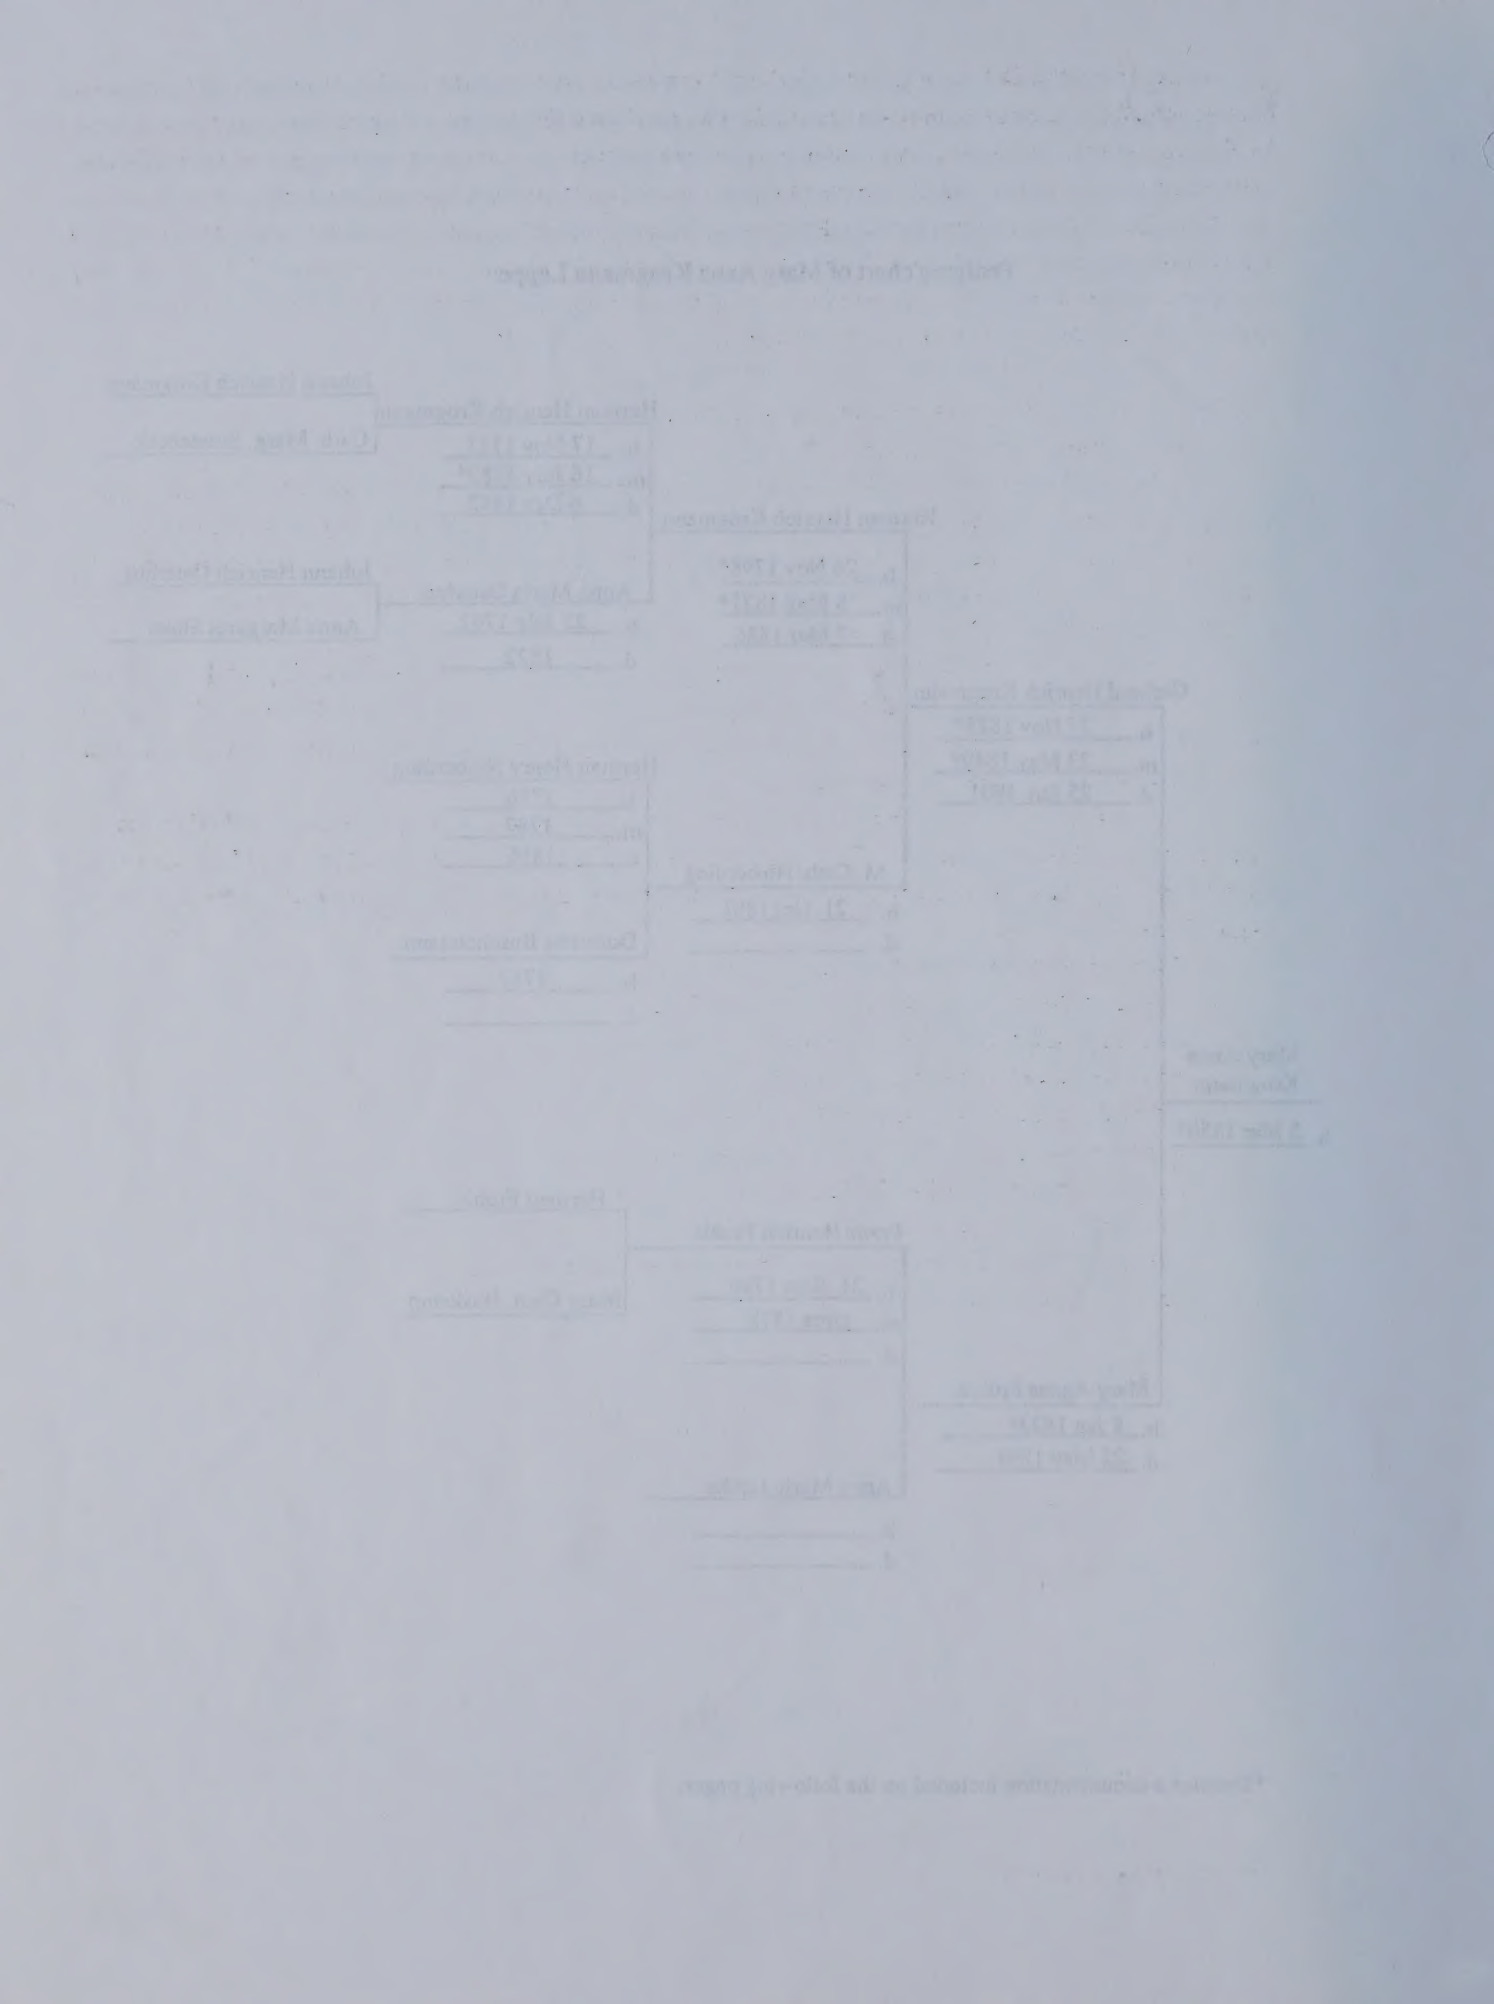
The ancestry of Marietta Lappe had its beginnings in northwestern Germany. For more than two hundred and fifty years several families with the surname of Krogmann lived in the villages around Steinfeld in the province of Oldenburg in the region known as Niedersachsen or North Saxony. Their christenings, marriages and deaths are recorded in the books of the Steinfeld Catholic church dating back to the middle 1600's. It is from these records that the pedigree of Mary Anna Krogmann, wife of John Lappe and grandmother of Marietta Lappe, has been documented.



Pedigree chart of Mary Anna Krogmann Lappe



*Denotes a documentation included on the following pages.



After arriving in Delaware County, Gerhard Krogmann first rented the Luekin farm west of Dyersville, later he rented the Conrad Schmockers farm; then he purchased the 120 acre Rogers farm. According to an 1880 Iowa Census, his brother, Carl Anton, also brought his family, including their 83-year old father, Henry, to the same area. The Carl Anton Krogmann family moved on to Ashton, Iowa in Osceola County.

On 7 March 1886, Herman Henrich Krogmann, the father of Gerhard and Carl Anton, died at the age of 87 and was buried at SS Peter & Paul Cemetery at Petersburg. Mary Agnes Krogmann died 22 May 1891 and was also buried at Petersburg. Gerhard Henrich Krogmann died 25 January 1901 at the age of 76 and was buried at Dyersville in St. Francis Xavier Cemetery.

Of the seven children born at Steinfeld, Germany to Gerhard Krogman and Mary Agnes Frohle, four survived and came to America with them in April 1868 when the oldest, Mary Anna, was 18 and her brother, Franz Henrich, was less than 2 years old.

EARLY DYERSVILLE HISTORY

A mere century and a half ago Indian natives inhabited this Midwestern area. With the signing of the Black Hawk Purchase on June 1, 1833, white settlers were allowed in an area 40 to 50 miles west of the Mississippi River. The first whites, Englishmen, settled near Dyersville in 1837. The first Bavarians settled in this area in 1846. In 1848 a young Englishman, endowed with determination, leadership and means, settled in this area with his family. James. J. Dyer, in 1850 established a settlement which soon became known as Dyersville. Under his leadership an intensive building program was initiated. The rapidly growing population, however, proved yet too small and too weak to support such an inflationary program. The nation-wide Panic of 1857 also compounded problems and dealt a serious blow to the enterprising English pioneers who had by this time committed most of their resources in the Dyersville development program. These reverses left them no other choice but to relinquish much of their ownership at a monetary loss, to the rapidly growing population of frugal German Catholics. Thus did Dyersville evolve from a promising English Protestant settlement into the strong American German Catholic center it is today.

Catholics, who had come in ever increasing numbers, were granted their first Mission pastor in 1856. The first Catholic church was completed in 1862. Already in 1869 its size had to be doubled. Again, by 1880 the Catholic population was outgrowing the enlarged church. This time the pastor and his people decided to build for a growing future, a church large enough to accommodate from 1000 to 1500 people.

In September, 1887, construction for the present Basilica was started. The cornerstone was laid on June 3, 1888, and on December 3, 1889 the new church was dedicated by Bishop Hennessy of Dubuque. An estimated 6000 people were in attendance for the dedication, many coming on special excursion trains.

The foresight and courage to build such a large structure in that unmechanized age seems to us staggering today. The block and tackle of rope and pulleys was the most advanced mechanical device at their disposal for hoisting materials to heights of 212 feet. Yet crude as their methods might seem now, the craftsmanship was superb so that to this day there is not a single crack in the masonry. The construction time was two years and two months.

The term Basilica is a Greek derivation from "Basileus" meaning a royal or kingly building. In earlier centuries, the Catholic church conferred this title on churches of unusual architectural and spiritual significance. Their number is small. St. Francis Xavier was the twelfth church in the United States to become a Minor Basilica. It is unique in as much as it is the only one in a rural area; all the others are in metropolitan areas. St. Francis Xavier Basilica is one of the finest examples of the true medieval gothic architecture. Its graceful and pleasing lines are reminiscent of some of the outstanding gothic cathedrals in Europe.*

*This information was quoted from a brochure available in the church for visitors.

John Lappe was born in Germany on 6 Jan 1844, the son of Arnold and Sadie Lappe who were farmers. On 25 November 1869 he married nineteen-year old Mary Anna Krogmann in St. Boniface Catholic Church in New Vienna, Dubuque County, Iowa.

10. Anno D. 1869, die 25 Novbr. matrimonium inierunt Joh: Lappe & M. Anna Krochman. Testes fuere Herman Bruchenkamp & Clem. Frohle. Elis: Büschelman & Carolina Krochman.

Their marriage record from St. Boniface Church.

John and Anna first farmed in the area south of Petersburg, in Delaware County about eight miles east of New Vienna. It was there that Mary Catherine, Antony and Frank were born. Later, they moved to a farm west of Dyersville where John, Anna, William, Joseph, Henry, Mary, Clemens, Clara and Josephine were born.

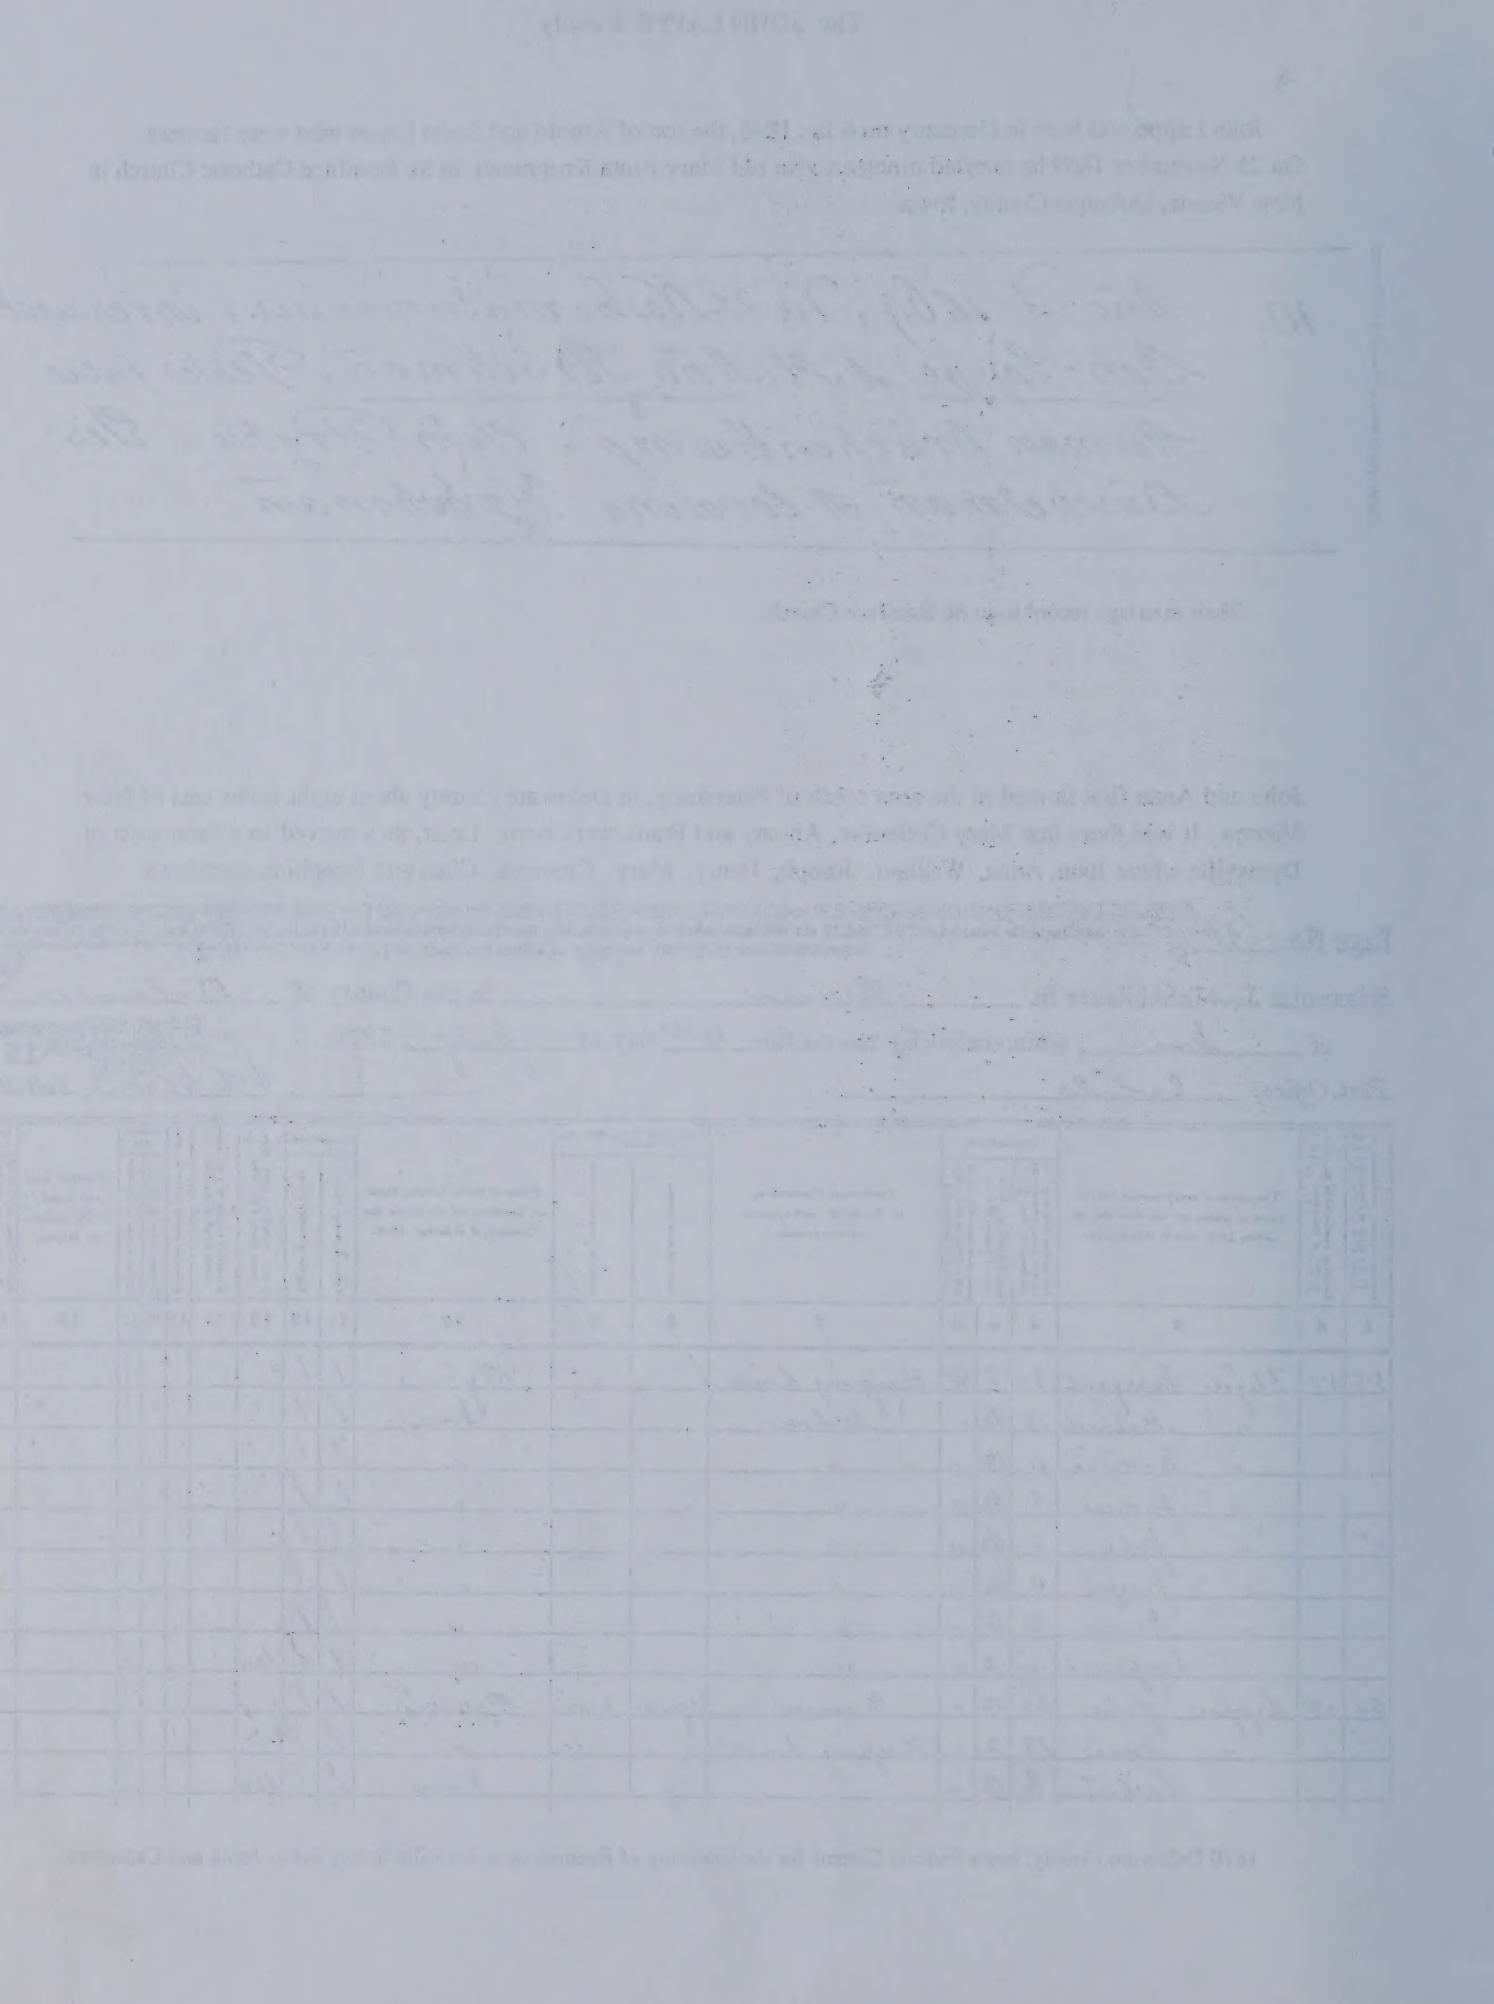
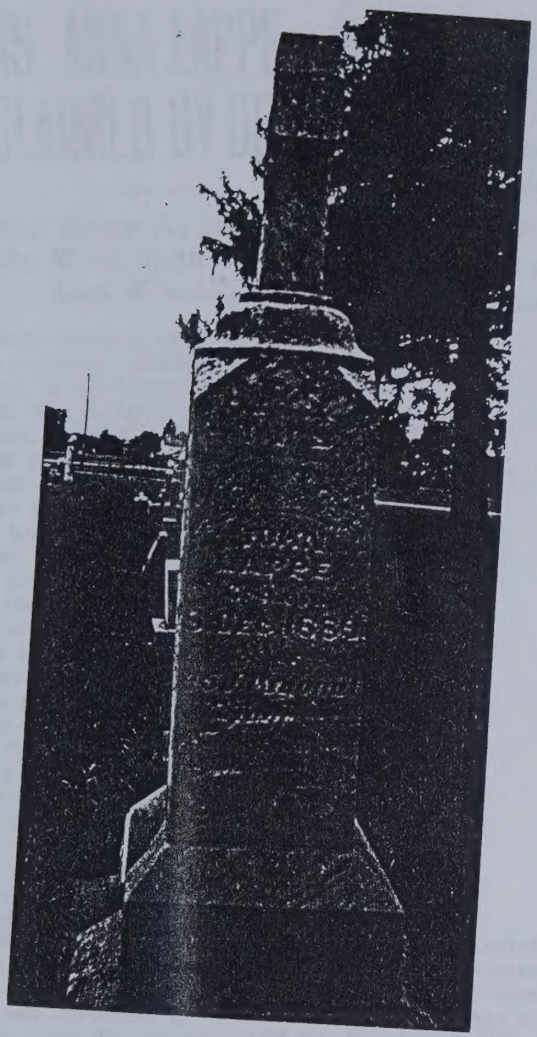
1870 Delaware County, Iowa Federal Census for the township of Bremen near Earlville listing John, Anna and Catherine.





Shortly after their twentieth wedding anniversary, John died suddenly at the age of 45 years 11 months and 2 days, just three weeks before the birth of their daughter, Josephine. "The first funeral from St. Francis Church took place on December 8, 1889, when the obsequies were sung for the deceased John Lappe"*

Anna, at the age of 39, was left with twelve children ranging in age from newborn to 19 years. After John's death, she moved into Dyersville, where she lived until her death.

MRS. ANNA LAPPE CLAIMED BY DEATH

Passed Away At Her Home On West Main Street Last Evening.

Death claimed one of Dyersville's pioneer citizens, Mrs. Anna Lappe, in her home on West Main street last evening at 11:45 Wednesday, June 28, 1933, at the age of 83 years. Deceased contracted a cold last winter from which she never entirely recovered although she had been up and around as usual on Wednesday, retiring at the usual time. A sudden change for the worse set in after retiring and she passed peacefully away at time stated above.

Deceased's maiden name was Miss Anna Krogmann and she was born in Oldenberg, Germany, on March 5, 1850. Her youthful days were spent in her native village where she received her education and grew to young womanhood. At the age of 18 years she came to this country with her parents, settling in this community which has been her home continuously. On November 17, 1870 the deceased was united in marriage to Mr. Jno Lappe in SS. Peter and Paul's church, Petersburg, after which they went to housekeeping on a farm south of Petersburg and later on a farm west of Dyersville and that place was her home until after Mr. Lappe's death when she came to Dyersville to live. Mr. Lappe pased away on December 8, 1888 and his was the first funeral held in the new St. Francis church

This union was blessed with 12 children nine of whom survive. Those preceding her in death were Kate, Mrs. Geo. Hildebrandt, John Lappe and Mary, Mrs. Anton Hildebrandt. The children surviving, are: Anton Lappe of Maywood, Ill.; Frank of Bancroft, Anna, Mrs Henry Lasche, William of Dyersville; Joseph of near Independence; Henry of Bancroft; Clem of Chicago; Mrs. Al Lechtenberg of Vancouver, Wash.; Josie, Sister Anna in the Philippine Islands; one sister, Mrs. Jos. Bergmann, Baleville, Kansas; and one brother Henry Krogmann of New Hampton, a large number of grandchildren and also great grandchildren are among the survivors.

The funeral will take place Saturday morning at 9 o'clock from her late home to St. Francis church and after requiem mass interment will be made in St. Francis cemetery.

The many friends of Mrs. Lappe received the news of her passing with keen regret. She had lived in the community for over a half century, and during these years she established close neighborly ties and friendships, valued and enjoyed by all who knew her. Like all of the good old mothers, Mrs. Lappe's life was one of devotion to the home, family circle and her friends, the acme of sacrifical service, combined with courage and happy optimism and the serene faith in her religion and the Divine plan. She was a devout member of St. Francis church, a member of the Altar and Rosary society and she was a daily attendant at mass. When the end came this faithful wife and loving mother folded her hands in the sleep of death and passed to the rest which remains to the children of God. The bereaved members of the family have the sincere sympathy of the community.

Anna Lappe died 28 June 1933 at the age of 83, and was buried with John in the family plot located in Section A of St. Francis Cemetery. This obituary from the Dyersville newspaper gives an incorrect date for their marriage date and location and also John's death.

Dyersville Native Leaves Missions After 43 Years

Techny, Ill.—After 43 years in the foreign missions, Sister Ann, S.Sp.S., the former Josephine Lappe of St. Francis Parish in Dyersville, has resigned her post and retired to the Motherhouse of the Holy Spirit Missionary Sisters in Techny, Ill. Sister Ann will celebrate her 50th anniversary as a religious this year.

Sister Ann

On June 28, 1922, Sister Ann sailed from San Francisco to the Philippines. She spent her first three at the order's motherhouse in Manila while earning her M.A. at the University of Santo Tomas.

In the years before the war, she served as superior and principal of St. Tomas High School in Batangas, as principal at the high school in Tagbilaran, superior of Holy Ghost College in Manila, and as administrator of Manapla Hospital.

From 1942 to 1945 Sister Ann was interned in Japanese camps at Bacolod and the University of Santo Tomas. She was freed by U.S. troops on Feb. 7, 1945.

In 1949 Sister began her mission work in Inodore, India. While regional superior there she helped form a new high school and junior college, build a new convent, and open a novitiate for Indians. After her term as superior she served as head of St. Raphael's Junior College and as regional councilor. She resigned as principal in 1962 and taught Indian aspirants until her retirement this year.
